About Us

Foot Step, the largest railing manufacturer established since May, 2008, was founded by a team of experienced professionals with over 8 years of expertise in manufacturing world-class railings. A vision to provide high quality, design and services is the driving factor that helps Foot Step meet clients expectations effectively and efficiently.

Foot Step is a professionally managed organization dedicated towards achieving proficiency and success. Our company has a successful track record of completing projects throughout the country. Foot Step is known to go the extra mile and do what it takes to ensure clients satisfaction through customer service, quality control and reliability.

You will always find Foot Step at the forefront of turning your dreams and ideas into a reality by delivering an innovative and creative end product. It is our promise of dedication, innovation, quality support and a policy of long term business relationship with our clients that leads to consistent growth of this company. Foot Step is pleased to offer a wide variety of railing products, ranging from traditional residential railing to commercial safety railing. All of our railing and railing products meet or exceed all safety requirements. To us, customer service is of utmost value, and we pride ourselves on being a trusted organization.

A dynamic combination of the vision of our clients and the imagination of our architects/designers lead to the success of each of our products. Keeping up to par with modern décor and technology, our contemporary designs are sure to appeal to you and anyone who visits your home. Our team of highly qualified industrial designers and engineers constantly provide fresh ideas and designs to ensure your home will always be the center of admiration.

Mission

To design, manufacture, and deliver innovative architectural product to our customers for home interiors and exteriors as well as residential and commercial complexes by using a market-focused approach. Clients feedback affirms our goal of consistently outperforming our peers, producing predictable earnings for our shareholders, and providing a dynamic and challenging environment for our employees.
